Subject: Completeness Review of Notice of Intention to Commence Large Mining Operations, Triumph Mining Corporation, Gardner Canyon Mine, M/023/0113, Juab County, Utah

Dear Messrs. Steele and Young:

The Division of Oil, Gas and Mining has performed a completeness review of the referenced Notice of Intention to Commence Large Mining Operations (NOI) which was received July 6, 2015. The Division has determined the NOI lacks sufficient information to conduct a detailed review.

Please review the attached document and re-submit the NOI. Please refer to the R647 rules and address each applicable item. If a rule does not apply to this site, please state that it does not apply and, as necessary, include a statement of the rationale for not responding to the rule.

The Division will suspend further review of the Notice of Intention until your response to this letter is received. Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions about the completeness review.

Sincerely,

Paul B. Baker  
Minerals Program Manager
